

Handout #2

The **Collaborative**
for Teaching and Learning

Teaching the Writer: What Students Need

On the lines below, briefly describe a challenge facing your school or district in teaching students to become independent thinkers and writers.

Use the organizer below to explain how you could use the data DVD, *Teaching the Writer: What Students Need*, to address the challenge.

What part of the data DVD will you use to support your work?

Who is your audience?

Briefly describe your training or support design.
